# BE A PART OF ST. LOUIS' NEXT CHAPTER

Something very exciting is happening here in the St. Louis region. There's an energy and vibrancy pulsing throughout the area. You can see it in the $9.5 billion invested in our urban core. You can feel it in the streets of our eclectic neighborhoods and vibrant communities. You can hear it in the optimism of employees and corporate leaders alike. Together we're embracing our forward momentum and making strides for the entire region.

It's not just an attitude, it's manifesting itself in real, physical results. The area has become a focal point for startups and entrepreneurship, as well as being home to successful Fortune 1000 companies from a myriad of business sectors. It's reflected in our standard of living and cost competitiveness – both ranking in the top tier. And it's showcased through our continued commitment to invest in our communities and people.

We want you to be a part of this incredible story. Let us schedule a meeting or visit where we can talk about your needs and show you firsthand how St. Louis can help you succeed.

## START UP

**Whether you're expanding or starting up a new venture, we'll help you identify talent and resources, as well as making the vital connections necessary to jumpstart your success.**

## STAND OUT

**Enterprise Holdings. Centene. Caleres. Edward Jones. Emerson Electric. These are just some of our homegrown Fortune 1000 headquarters located in St. Louis. And as a top ten cost-competitive metropolitan area with access to a diverse and talented workforce, opportunities abound here.**

## STAY

**Yes, we're on Forbes' list of most affordable cities in the U.S. But the people and businesses who call us home have learned that they can't put a price on our vibrant cultural institutions, world-class medical facilities and universities, championship sports teams and award-winning culinary scene.**
